CALL TO ORDER

A regular meeting of the Municipal Light Board was called to order in open session at 6:15 p.m. by Chair Adam Dash in the Belmont High School Conference Room. Members Mark Paolillo and Thomas Caputo were present.

Also Present: Patrice Garvin, Town Administrator; Christopher Roy, BMLD General Manager

Chair Dash turned to the agenda.

Belmont Light Summer Hours

Mr. Dash asked Mr. Roy to explain his plan for Belmont Light's summer hours. Mr. Roy presented an MOA that would provide for working hours of Monday thru Thursday, 7am to 4pm, and Fridays would be 7am to 1pm, effective June 11, 2018 through Friday, August 31, 2018.

An inquiry was made as to whether these hours would better serve the ratepayers. Mr. Roy indicated that he does get a small stream of residents who pay bills in person as they receive a free light bulb when they do so. He also indicated that the earlier start would benefit his employees who have longer commutes to work.

Mr. Paolillo made a motion to accept the Memorandum of Agreement relative to BMLD summer hours. Mr. Caputo Seconded. Vote: 3-0-0

Climate Action Network (MCAN) Green Municipal Summit

Mr. Roy explained that the summit should be very interesting and is taking place in Concord. The keynote speaker is well known throughout the climate community and is known to be a reputable source of information. The summit will take place on Saturday, June 23, and Rebecca Keane will be attending for the BMLD. Mr. Roy is encouraging a member of the Board to attend as well. It was also suggested that Craig Spinale or Sam Osmaneovic attend as well.

Mr. Caputo also suggested making the Light Board Advisory Members aware of the meeting as well as they may be interested in attending.

Next Meeting Date

June 18, 2018 is the next Light Board meeting.

Mr. Paolillo made a motion to adjourn the meeting. Mr. Caputo seconded. **Vote: 3-0-0.**

Meeting adjourned at 6:28 p.m.

Respectfully submitted,
