Belmont Light Terms and Conditions for Residential & Commercial Interconnections

1. **Construction of the Facility:** The interconnecting Customer may proceed to construct the Facility once the approval to install the Facility has been signed by Belmont Light.
 - 1.1 **Application/Processing Fee:** The Customer shall include a non-refundable check in the amount of \$100 payable to Belmont Light.
 - 1.2 **Certificate of Completion:** Both, the Belmont Light Copy as well as the Customer Copy of the Certificate of Completion shall be filled out and signed. This document will be used as the proof of inspection and grant of permission for the immediate operation of the system. No other documents serving as the grant of service permission will be provided by Belmont Light.
2. **Interconnection and Operation:** The interconnecting Customer may operate Facility and interconnect with Belmont Light's system once the following has occurred:
 - 2.1. **Municipal Inspection:** Upon completing construction, the Interconnecting Customer will cause the Facility to be inspected or otherwise certified by the local electrical wiring inspector with jurisdiction.
 - 2.2. **Certificate of Completion:** The Interconnecting Customer returns the Certificate of Completion appearing as Attachment 2 of the Agreement to the Belmont Light, 40 Prince St., Belmont, MA 02478.
 - 2.3. **Company has completed or waived the right to inspection.**
3. **Belmont Light Right to Inspection:** Within ten (15) business days after receipt of the Certificate of Completion, Belmont Light may, upon reasonable notice, and at a mutually convenient time, conduct an inspection of the Facility to ensure that all equipment has been appropriately installed, and that all electric connections have been made in accordance with Belmont Light. Belmont Light has the right to disconnect the Facility in the event of improper installation or failure to return Certificate of Completion.
4. **Safe Operations and Maintenance:** The interconnecting Customer shall be fully responsible to operate, maintain, and repair the Facility.
5. **Access.** Belmont Light shall have access to the disconnect switch (if required) of the Facility at all times.
6. **Disconnection.** Belmont Light may temporarily disconnect the Facility to facilitate planned or emergency Belmont Light work.
7. **Metering and Billing:** All Facilities approved under this Agreement qualify for Belmont Light Buyback Tariff, as updated by Belmont Light from time to time, and the following is necessary to implement the Buyback Tariff provisions:
 - 7.1. **Interconnecting Customer Provides Meter Sockets:** The Interconnecting Customer shall furnish and have installed, if not already in place, the necessary meter socket and wiring in accordance with accepted electrical standards. The Interconnecting Customer shall have installed a second meter socket and the necessary wiring between the output of the generation source and the customer's main electrical service. This meter socket shall be located outside in an approved location. The second meter socket will be provided by Belmont Light.
 - 7.2. **Belmont Light Installs Net Meter:** Belmont Light shall furnish and install a meter capable of recording the customer's energy demand as well as energy injected into Belmont Light Distribution System within ten (15) business days after receipt of the Certificate of Completion, or within 15 business days after the inspection if completed, if such meter is not already in place.
 - 7.3. **Customer Installs "Check" Meter:** Belmont Light will require a second meter to record the usage of the customer-generated energy.
8. **Indemnification:** The Town of Belmont, Belmont Light, and all of their respective agents and employees shall be afforded the maximum exemption of limitations of liability available under applicable laws and regulations arising on account of their actions or omissions relating directly or indirectly any provision of electrical service. Without limiting the generality of the foregoing, and except to the extent otherwise expressly provided in M.G.L. Chapter 258:

Neither the Town of Belmont, nor Belmont Light, nor any of their respective agents or employees shall be liable to any person or agent: all liabilities, damages, losses, penalties, claims, demands, suits and proceedings of any nature whatsoever for personal injury (including death) or property damages to unaffiliated third parties that arise out of, or are in any manner connected with, the performance of this Agreement by that party, except to the extent that such injury or damages to unaffiliated third parties may be attributable to the negligence of willful misconduct of the party seeking indemnification.
9. **Limitation of Liability:** Each party's liability to the other party for any loss, cost, claim, injury, liability, or expense, including reasonable attorney's fees, relating to or arising from any act or omissions in its performance of this Agreement, shall be limited to the amount of direct damage actually incurred. In no event shall either party be liable to the other party for any indirect, incidental, special, consequential, or punitive damages of any kind whatsoever.
10. **Termination:** This Agreement may be terminated under the following conditions.
 - 10.1 **By Interconnecting Customer:** The Interconnecting Customer may terminate this Agreement by providing written notice to Belmont Light.
 - 10.2 **By Belmont Light:** Belmont Light may terminate this Agreement (1) if the Facility fails to operate for any consecutive 12-month period, or (2) in the event that the Facility impairs the operation of the electric distribution system or service to other customers or material impairs the local circuit and the Interconnecting Customer does not cure the impairment.
11. **Assignment/Transfer of Ownership of the Facility:** This Agreement shall survive the transfer of ownership of the Facility to a new owner when the new owner agrees in writing to comply with the terms of this Agreement and so notifies Belmont Light.
12. **Interconnection Tariff:** These Terms and Conditions are pursuant to Belmont Light's Tariff for the Interconnection of Customer-Owned, Emission-free Generating Facilities, as approved by the Department of Public Utilities and as the same may be amended from time to time. All defined terms set forth in these Terms and Conditions are as defined in Belmont Light Emission-free Generating Facilities Interconnection Tariff.
