Belmont Light Terms and Conditions for Residential & Commercial Interconnections

1. **Construction of the Facility:** The Interconnecting Customer may proceed to construct the facility once the approval to install the facility has been signed by Belmont Light.
2. **Interconnection and Operation:** The interconnecting Customer may operate the facility and interconnect with Belmont Light's system once the following has occurred:
 - 2.1. **Terms and Conditions:** Customer returns signed copy of this form to Belmont Light at address noted
 - 2.1.1. **Application/Processing Fee:** The Customer shall include a non-refundable check in the amount of \$100 payable to Belmont Light
 - 2.2. **Inverter Documentation:** Customer submits system one-line diagram and documentation indicating IEEE 1547 / UL1741 listing.
 - 2.3. **Municipal Inspection:** Upon completing construction, the Interconnecting Customer will have the facility inspected or otherwise certified by the local electrical wiring inspector with jurisdiction.
 - 2.4. **Certificate of Completion:** The Interconnecting Customer returns the Certificate of Completion to Belmont Light at address noted (note: both, the Belmont Light copy as well as the Customer Copy of the Certificate of Completion shall be filled out and signed. This document will be used as the proof of inspection and grant of permission for the immediate operation of the system. No other documents serving as the grant of service permission will be provided by Belmont Light
 - 2.5. **Company has completed or waived the right to inspection.** If witness test is deemed waived, customer submits photographs of installed distributed generation system and external AC disconnect switch.
 - 2.6. Belmont Light has issued interconnection approval
3. **Belmont Light Right to Inspection:** Within ten (10) business days after receipt of the Certificate of Completion, Belmont Light may, upon reasonable notice and at a mutually convenient time, conduct an inspection of the Facility to ensure that all equipment has been appropriately installed. Belmont Light has the right to disconnect the Facility in the event of improper installation or failure to return Certificate of Completion. If Belmont Light does not inspect in 10 days or by mutual agreement of the parties, the witness test is deemed waived.
4. **Safe Operations and Maintenance:** The interconnecting Customer shall be fully responsible to operate, maintain, and repair the facility.
5. **Access.** Belmont Light shall have access to the disconnect switch (if required) of the facility at all times.
6. **Disconnection.** Belmont Light may temporarily disconnect the facility to undertake planned or emergency work.
7. **Metering and Billing:** All Facilities approved under this Agreement qualify for Distributed Generation, as approved by Belmont Light from time to time, and must comply with Belmont Light's Policy on Emission Free Renewable Energy Facilities.
8. **Indemnification:** The Town of Belmont, Belmont Light, and all of their respective agents and employees shall be afforded the maximum exemption of limitations of liability available under applicable laws and regulations arising on account of their actions or omissions relating directly or indirectly any provision of electrical service. Without limiting the generality of the foregoing, and except to the extent otherwise expressly provided in M.G.L. Chapter 258:

Neither the Town of Belmont, nor Belmont Light, nor any of their respective agents or employees shall be liable to any person or agent: all liabilities, damages, losses, penalties, claims, demands, suits and proceedings of any nature whatsoever for personal injury (including death) or property damages to unaffiliated third parties that arise out of, or are in any manner connected with, the performance of this Agreement by that party, except to the extent that such injury or damages to unaffiliated third parties may be attributable to the negligence of willful misconduct of the party seeking indemnification.
9. **Limitation of Liability:** Each party's liability to the other party for any loss, cost, claim, injury, liability, or expense, including reasonable attorney's fees, relating to or arising from any act or omissions in its performance of this Agreement, shall be limited to the amount of direct damage actually incurred. In no event shall either party be liable to the other party for any indirect, incidental, special, consequential, or punitive damages of any kind whatsoever.
10. **Termination:** This Agreement may be terminated under the following conditions:
 - 10.1. **By Mutual Agreement.** The Parties agree in writing to terminate the Agreement
 - 10.2. **By Interconnecting Customer:** The Interconnecting Customer may terminate this Agreement by providing written notice to Belmont Light.
 - 10.3. **By Belmont Light:** Belmont Light may terminate this Agreement if 1): the facility fails to operate for any consecutive 12-month period, or 2): the facility impairs the operation of the electric distribution system or service to other customers or 3): the facility impairs the local circuit and the interconnecting customer does not cure the impairment promptly
11. **Assignment/Transfer of Ownership of the Facility:** This Agreement shall survive the transfer of ownership of the Facility to a new owner when the new owner agrees in writing to comply with the terms of this Agreement and so notifies Belmont Light.
12. **Interconnection Tariff:** These Terms and Conditions are pursuant to Belmont Light's Tariff for Interconnecting Customers with Emission-Free Renewable Generating Facilities, as approved by the Department of Public Utilities and as the same may be amended from time to time. All defined terms set forth in these Terms and Conditions are as defined in Belmont Light's Policy on Emission-Free Renewable Energy Facilities.
