Until further notice, the above signature authorizes its successors and/or assigns to debit my checking account for my payment, as directed within this form, on or after the Total Amount Due Date noted on my bill. In the future, the Total Amount Due will automatically be debited from the checking account as indicated.

Debits that are not collected due to insufficient funds may result in a customer charge of \$25 or 1% of the debit amount, whichever is greater, in accordance with the provisions of Massachusetts General Laws Chapter 60, section 57A.

Failure to notify Belmont Light of changes in your bank account that result in non-collection of utility balances will be subject to the above charges.

Please DO NOT include this form with your electric bill payment.
Please allow up to 4 weeks for processing.
