

HOME ENERGY ASSESSMENT TENANT RELEASE FORM

ENERGY NEW ENGLAND

In partnership with your Municipal Light Plant, Energy New England (ENE) provides no-cost Home Energy Assessments for residential customers.

If you heat your home with natural gas, you are eligible for a Home Energy Assessment through the MassSave program: www.masssave.com

AUTHORIZATION

I, _____ (the undersigned Tenant), hereby authorize the Landlord or their representative to:

Tenant Name

- Request a Home Energy Assessment for the rental property listed above.
- Communicate with Energy New England regarding scheduling, program eligibility, and electrical consumption history.
- Provide necessary information about the property to the assessment provider for the purpose of setting up the assessment.

This authorization will not result in any billing information or Personally Identifying Information (PII) being shared with landlord/property manager.

This authorization does not grant permission for installation of equipment, repairs, or improvements. Any work beyond the assessment will require separate written consent.

Access Permission

- ☐ I grant permission for my landlord/property manager to schedule and be present during the Home Energy Assessment on my behalf - *provided at least 24 hours' notice (or notice required by law) is given.*
- ☐ I prefer to be present and will coordinate access directly with Energy New England
